

TYNE
RECRUITMENT

Bringing Employment Solutions at all Levels

INTRODUCTION

At Tyne Recruitment, we offer both private and public sectors professional and diligent recruitment services to the highest industry standards.

Our years of dedication and track record in the field are confirmation of our commitment and intent to provide unsurpassed support to our clients and to meet their varied requirements on time to the desired standards and expectations.

Tyne Recruitment is proud of our ever-growing reputation and client base which have benefited from the first rate services which we offer.

ABOUT US

Tyne Recruitment is a market leader in sourcing professional talent for national and international companies operating within all sectors of the market.

Tyne Recruitment's comprehensive services include locating, screening and overall assistance for our client's recruitment into their organization locally and internationally available professional talent to cater for all your workforce needs.

At Tyne Recruitment, we also offer temporary staffing arrangements on a long or short term basis whereby professional talent can be seconded into your organization under the employment of Tyne Recruitment. In doing so, we take care of every detail inclusive of sponsorship, mobilization, accommodation, transportation and medical, all in full compliance with the labour law.

Tyne Recruitment has been structured with the goal of providing recruitment and workforce solutions with the utmost care, diligence and professionalism.

SECTORS

Tyne Recruitment provide a wide range of professional talent to satisfy the market requirements throughout the following sectors:

- Retail
- Hospitality, Food & Beverage
- Construction & Facilities Management
- Beauty & Wellness
- Oil, Gas & Energy
- Healthcare
- Education
- Banking, Finance & Insurance
- Information Technology & Manufacturing
- Transportation & Maritime
- Real Estate
- Media & Communications

PROFESSIONAL TALENT

Professional talent of all levels is strategically sourced using our wide pool of resumes together with multiple online platforms.

Once sourced, the screening process follows whereby the Tyne Recruitment team hold initial discussions and interviews with the candidates before shortlisting those of the highest standards and which satisfy our client's requirements.

References are taken and checks are conducted on social media platforms for any irregularities provided by the candidates.

Only candidates of the highest quality are then recommend by Tyne Recruitment to our clients.

MISSION

Our mission is to ensure that our esteemed client base have the talent and resources they need to achieve their business goals. To accomplish this we offer support to establish resource capabilities in the short and long term.

VISION

Through dedicated hard work and active support, Tyne Recruitment's vision remains long term client reliance on us to supplement their workforce, thus improving performance at critical times. In return for the faith placed in us we intend to continue to offer premium solutions to professional services and workforce requirements.
